

### **changing classes school reform pdf**

Education reform is the name given to the goal of changing public education. Historically, reforms have taken different forms because the motivations of reformers have differed. However, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs (i.e., student achievement).

Conversion therapy is the pseudoscientific practice of trying to change an individual's sexual orientation from homosexual or bisexual to heterosexual using psychological or spiritual interventions. There is virtually no reliable evidence that sexual orientation can be changed and medical bodies warn that conversion therapy practices are ineffective and potentially harmful.
