When running a training or mentoring session, people often ask what runtime settings they should use; as if there is a magical list of settings that will always be correct for any testing situation.

### **LoadRunner Script Runtime Settings â€œ My Load Test**

Its easy to write about what the government or other people should do with our/their money. Itâ€™s harder to come up with a course of action that I can undertake on my own that possibly, somehow could make a difference. My first inclination is always to try to look â€œfor the next big thingâ€•. But ...
