Nichole Egbert, PhD Kevin M. Nanna, MSN, RN, BC-NE. Abstract. Although health literacy is a concept new to many members of the healthcare community, it has quickly caught the attention of researchers, policy makers, and clinicians due to its widespread impact on health and well-being.

Health Literacy: Challenges and Strategies

Science communication is the public communication of science-related topics to non-experts. This often involves professional scientists (called "outreach" or "popularization"), but has also evolved into a professional field in its own right. It includes science exhibitions, journalism, policy or media production. Science communication also includes communication between scientists (for instance ...
