Freedom of religion is a principle that supports the freedom of an individual or community, in public or private, to manifest religion or belief in teaching, practice, worship, and observance. It also includes the freedom to change one's religion or beliefs. Freedom of religion is considered by many people and most of the nations to be a fundamental human right.

Freedom of religion - Wikipedia

Communalism is a term used in South Asia to denote attempts to construct religious or ethnic identity, incite strife between people identified as different communities, and to stimulate communal violence between those groups. It derives from history, differences in beliefs, and tensions between the communities. The term communalism was constructed by the British colonial authorities as it ...
