Decolonization and the Evolution of International Human Rights

This book challenges traditional accounts of the Third World's contribution to international human rights. It demonstrates that diplomats from Third World countries helped both to radicalize the UN human rights agenda in the heyday of decolonization and to undermine that agenda by advancing cultural relativism as an excuse for abuses in the 1970s.

1 In this paper, the term "decolonization" is equivalent to "transfer of power" and "independence". Although decolonization might also hold economic, psychological, or cultural implications, the term here merely denotes a political transfer of power from the colonial power to the indigenous peoples.

Decolonization and Economic Growth - jed

Decolonization, then, was a process as well as a historical period. Yet the nations and regions of Africa experienced it with varying degrees of success. By 1990, formal European political control had given way to

African self-rule” except in South Africa.
