Democracy (Greek: δῆμος "people", κράτος "rule", literally "Rule by 'People'"), in modern usage, has three senses – all for a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves.

Criticism of democracy is grounded in democracy's purpose, process, and outcomes. Since Classical antiquity and through the modern era, democracy has been associated with "rule of the people," "rule of the majority," and free selection or election either through direct participation or elected representation respectively, but has not been linked to a particular outcome.
