This is when directors or writers release details about plots, characters, back stories, or other elements they thought about adding to the story at one point but ultimately never did. Unlike All There in the Manual, however, this new information is not released as Word of God with the intention of being added to the Canon. These elements are only What Could Have Been but never were and never ...

When it hits the fan Americaâ€™s population centers will explode in violence, looting, and total breakdown of law and order. Itâ€™s a theory put forth by numerous survival and relocation specialists, and one that makes complete sense if you consider what happens in a truly serious collapse-like scenario.
