The Development of Romantic Relationships in Adolescence

romantic love is a universal emotion present in various cultures and how similar and different the attitudes to love and love experience are in different cultures and time periods.

A Cultural Perspective on Romantic Love

The Romantic period The nature of Romanticism. As a term to cover the most distinctive writers who flourished in the last years of the 18th century and the first decades of the 19th, "Romantic" is indispensable but also a little misleading: there was no self-styled "Romantic movement" at the time, and the great writers of the period did not call themselves Romantics.
