Entrepreneurship In India Perspective And Practice PDF

6 Entrepreneurship is the dynamic process of creating incremental wealth. This wealth is created by individuals who assume the major risks in terms of equity, time, and/or career commitment of providing value for some product or service.

Chapter 1 Entrepreneurship Development in India

As we have seen in the first chapter, immigrants from India have been very significant contributors to entrepreneurship in the United States and the rest of the world, and are more likely to file patents abroad. Entrepreneurship within India has been a bit more difficult because of the overall difficulty of doing business in India
