Indian religions, sometimes also termed as Dharmic faiths or religions, are the religions that originated in the Indian subcontinent; namely Hinduism, Jainism, Buddhism and Sikhism. These religions are also all classified as Eastern religions. Although Indian religions are connected through the history of India, they constitute a wide range of religious communities, and are not confined to the ...

Indian religions - Wikipedia

Religion may be defined as a cultural system of designated behaviors and practices, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from ...
