

excellence in online journalism pdf

Whatever the future of journalism, much of it depends on understanding the ways that people navigate the digital news environment—the behavior of what might be called the new news consumer. Despite the unprecedented level of data about what news people consume online and how they consume it ...

Navigating News Online - Pew Research Center's Journalism

Digital journalism also known as online journalism is a contemporary form of journalism where editorial content is distributed via the Internet as opposed to publishing via print or broadcast. What constitutes 'digital journalism' is debated by scholars. However the primary product of journalism, which is news and features on current affairs, is presented solely or in combination as text, audio ...

Digital journalism - Wikipedia

Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, as well as citizen journalists using methods of gathering information and using literary techniques. Journalistic media include print, television, radio, Internet, and, in the past, newsreels. Concepts of the appropriate role for journalism vary between countries.

The SPJ Code of Ethics is a statement of abiding principles supported by explanations and position papers that address changing journalistic practices. It is not a set of rules, rather a guide that encourages all who engage in journalism to take responsibility for the information they provide, regardless of medium.
