The European Commission works to ensure that Europe's food supply is the safest in the world and that the same standards of food safety apply to all products regardless of origin.

## **Import Conditions - European Commission - Food Safety**

A voluntary export restraint (VER) or voluntary export restriction is a government-imposed limit on the quantity of some category of goods that can be exported to a specified country during a specified period of time. They are sometimes referred to as 'Export Visas'. Typically VERs arise when industries seek protection from competing imports from particular countries.
