

fertility and family planning pdf

Family planning services are defined as "educational, comprehensive medical or social activities which enable individuals, including minors, to determine freely the number and spacing of their children and to select the means by which this may be achieved". Family planning may involve consideration of the number of children a woman wishes to have, including the choice to have no children, as ...

Family planning - Wikipedia

Natural family planning (NFP) comprises the family planning methods approved by the Roman Catholic Church and some Protestant denominations for both achieving and postponing or avoiding pregnancy. In accordance with the Church's teachings regarding sexual behavior, NFP excludes the use of other methods of birth control, which it refers to as "artificial contraception."

Natural family planning - Wikipedia

What is long-acting reversible contraception? Long-acting reversible contraception (LARC) is a contraceptive that lasts for a long time. There are two types of LARC in Aotearoa New Zealand:
