Greek art began in the Cycladic and Minoan civilization, and gave birth to Western classical art in the subsequent Geometric, Archaic and Classical periods (with further developments during the Hellenistic Period). It absorbed influences of Eastern civilizations, of Roman art and its patrons, and the new religion of Orthodox Christianity in the Byzantine era and absorbed Italian and European ...

Ancient Greek art stands out among that of other ancient cultures for its development of naturalistic but idealized depictions of the human body, in which largely nude male figures were generally the focus of innovation. The rate of stylistic development between about 750 and 300 BC was remarkable by ancient standards, and in surviving works is best seen in sculpture.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
