Native American boarding schools, also known as Indian Residential Schools were established in the United States during the late 19th and mid 20th centuries with a primary objective of assimilating Native American children and youth into Euro-American culture, while at the same time providing a basic education in Euro-American subject matters. These boarding schools were first established by ...

American Indian boarding schools - Wikipedia

Reservations are sovereign Native American territories within the United States that are managed by a tribal government in cooperation with the federal Bureau of Indian Affairs, a branch of the Department of the Interior, located in Washington, DC. There are 334 reservations in the United States today. Currently, almost a third of American Indians in the United States live on reservations ...
