

i am nobody apos pdf

The apostrophe (' or â€™™) character is a punctuation mark, and sometimes a diacritical mark, in languages that use the Latin alphabet and some other alphabets. In English it is used for several purposes: The marking of the omission of one or more letters (as in the contraction of do not to don't).; The marking of possessive case of nouns (as in the eagle's feathers, or in one month's time).
