

painting class oil pdf

Bristle and Sable- - The brushes suitable for oil painting are two kinds, - bristle and sable hair. Of the latter, red sable are the only ones you should get. They are expensive, but they have a spring and firmness that the black sable does not have. Camel's hair is out of the question.

The Painter in oil - Storyteller Artist, art

Oil paints are made up of pigment and oils. A simple paint can be made from dried saffron and peanut oil. Mixed properly you can use this formula to create a wonderful shade of yellow which you could also eat. Most of the oil paints on the market are poisonous, so always keep them out of the hands of children.

Paint Basket Art Classes

SPECIAL TIPS: 1)Purchase oils in the 225ml tubes only for colors such as Titanium White and Burnt Sienna because that is the most often used colours in figure painting. As for other colours I recommend you getting the smaller 22ml tubes. These oils would last you for years and years to come if you store them properly.
