Andragogy refers to methods and principles used in adult education. The word comes from the Greek ἀνδρ- andr-, meaning "man", and ἀγωγός agogos, meaning "leader of"; it literally means "leading man", whereas "pedagogy" literally means "leading children".

Andragogy - Wikipedia

Military education and training is a process which intends to establish and improve the capabilities of military personnel in their respective roles. It begins with recruit training, proceeds to education and training specific to military roles, and may also include additional training during a military career. Military training may be voluntary or compulsory duty.

Military education and training - Wikipedia

The use of the virtual classroom platform has shown to be able to deliver greater training days across the Peugeot Citroën Retailer Network. This is done simply by giving total flexibility to employers to enrol their staff on courses at short notice and at much lower costs.

Addiction is a complex but treatable disease that affects brain function and behavior. Drugs of abuse alter the brain's structure and function, resulting in changes that persist long after drug use has ceased. This may explain why drug abusers are at risk for relapse even after long periods of abstinence and despite the potentially devastating consequences.
