White privilege (or white skin privilege) is the societal privilege that benefits people whom society identifies as white in some countries, beyond what is commonly experienced by non-white people under the same social, political, or economic circumstances. Academic perspectives such as critical race theory and whiteness studies use the concept to analyze how racism and racialized societies ...

Eugenics, the set of beliefs and practices which aims at improving the genetic quality of the human population, played a significant role in the history and culture of the United States prior to its involvement in World War II.. Eugenics was practiced in the United States many years before eugenics programs in Nazi Germany, which were largely inspired by the previous American work.

Stephon Clark, the unarmed black man who was gunned down by police while allegedly breaking into cars in Sacramento, was apparently a misogynistic, self-hating man whose Asian girlfriend shared his hatred for black women. Twitter user @Eatmorefruitz found Clark's and his girlfriend's hateful tweets ...
