The Howard County Public School System believes that an effective student-centered science program includes an approach to learning that engages the students physically and mentally in an inquiry-based laboratory program.

Secondary Science – HCPSS

Secondary education covers two phases on the International Standard Classification of Education scale. Level 2 or lower secondary education (less common junior secondary education) is considered the second and final phase of basic education, and level 3 (upper) secondary education is the stage before tertiary education. Every country aims to provide basic education, but the systems and ...
