An antique firearm is a term to describe a firearm that was designed and manufactured prior to the beginning of the 20th century. Although the exact definition of what constitutes an "antique firearm" varies between countries, the advent of smokeless powder or the start of the Boer War are often used as cut-off dates. Antique firearms are usually collected because of their historical interest ...

The Warhog can handle extreme environments. A rifle with tusks cut into the rail is reserved for the most dedicated of hunters. It's for those born with the primal need to hunt, and who want to do it in style. Of course, the tusk rail doesn't limit what you can do with the rifle, it's just one more way to connect with the game you hunt.
