A glow stick is a self-contained, short-term light-source. It consists of a translucent plastic tube containing isolated substances that, when combined, make light through chemiluminescence, so it does not require an external energy source. The light cannot be turned off and can only be used once. Glow sticks are often used for recreation, but may also be relied upon for light during military ...

Unique Unicorn. We loved our stick horses from our farm party last summer so much that we decided to re-design a unicorn version! A stick unicorn would be a wonderful birthday gift, or a perfect addition to any princess-themed birthday party, and it is a cinch to put together using our template found on Spoonflower. The template is printed directly onto the fabric, and comes with the designs ...
