

striving for economic equality pdf

This article is concerned with social and political equality. In its prescriptive usage, "equality" is a loaded and "highly contested" concept.

Equality (Stanford Encyclopedia of Philosophy)

Equality of outcome, equality of condition, or equality of results is a political concept which is central to some political ideologies and is used regularly in political discourse, often in contrast to the term equality of opportunity. It describes a state in which people have approximately the same material wealth and income, or in which the general economic conditions of their lives are alike.
