Immunization Policy and Advocacy. Access the AAP's policies on immunizations, including the Recommended Immunization Schedule and learn more about the immunization campaigns in which the AAP participates.

Immunizations - The American Academy of Pediatrics

Introduction. Six years have transpired since publication of the last policy statement of the American Academy of Pediatrics (AAP) regarding breastfeeding. 1 Recently published research and systematic reviews have reinforced the conclusion that breastfeeding and human milk are the reference normative standards for infant feeding and nutrition. The current statement updates the evidence for ...

The level of support for evolution among scientists, the public and other groups is a topic that frequently arises in the creation-evolution controversy and touches on educational, religious, philosophical, scientific and political issues. The subject is especially contentious in countries where significant levels of non-acceptance of evolution by general society exist although evolution is ...
