Art Documents: The Politics of Visibility in Contemporary Photography. ... In her attempt to make visible the inhabitants of those people rendered invisible by society, Rosler makes their presence troublingly real for the viewer, since the interpretation required to convert the photograph into a stereotype is based on references drawn from ...

Art Documents: The Politics of Visibility in Contemporary

When participants move from experiential testimony to opinion, bring them back, knowing that most schooling discourages testimony. When exploring privilege, it is useful to use "Serial Testimony," a disciplined mode in which each participant gets to respond in turn, uninterrupted, for, say, one minute, timed. I call this "the autocratic ...
