The business mechanic 9 simple ways to improve PDF results

With shrinking sales and profit margins, many operators save thousands of dollars by doing it themselves or hiring part-time mechanics. This saves more money than paying manual labor rates at a dealership or the nearest auto shop. The automotive business is popular for its high rates of labor. For example, a mechanic shop might be asking for \$55-80 an hour while having a different order form from the actual mechanic for \$25-\$30 an hour.
