

### **the theory of critical pdf**

Critical theory is the reflective assessment and critique of society and culture by applying knowledge from the social sciences and the humanities. As a term, critical theory has two meanings with different origins and histories: the first originated in sociology and the second originated in literary criticism, whereby it is used and applied as an umbrella term that can describe a theory ...

### **Critical theory - Wikipedia**

Critical Theory has a narrow and a broad meaning in philosophy and in the history of the social sciences. "Critical Theory" in the narrow sense designates several generations of German philosophers and social theorists in the Western European Marxist tradition known as the Frankfurt School.
