North America is a continent entirely within the Northern Hemisphere and almost all within the Western Hemisphere; it is also considered by some to be a northern subcontinent of the Americas. It is bordered to the north by the Arctic Ocean, to the east by the Atlantic Ocean, to the west and south by the Pacific Ocean, and to the southeast by South America and the Caribbean Sea.

The Development of Flutes in North America. While approaches to studying the development of flutes in Europe and Asia and in Central and South America have been largely focused on the archaeological record, there is considerable debate as to whether that approach is appropriate (or even useful) for North American flutes. In particular, the apparently sudden appearance of the Native American ...
