Description. No-fault systems generally exempt individuals from the usual liability for causing body injury if they do so in a car collision; when individuals purchase "liability" insurance under those regimes, the insurance covers bodily injury of the insured and the insured's passengers caused by a car collision, regardless of which party would be liable under ordinary common law tort rules.

Background. A health insurance policy is: . A contract between an insurance provider (e.g. an insurance company or a government) and an individual or his/her sponsor (e.g. an employer or a community organization). The contract can be renewable (e.g. annually, monthly) or lifelong in the case of private insurance, or be mandatory for all citizens in the case of national plans.
