Historical and literary background. A number of historical events inspired Voltaire to write *Candide*, most notably the publication of Leibniz's "Monadology", a short metaphysical treatise, the Seven Years' War, and the 1755 Lisbon earthquake. Both of the latter catastrophes are frequently referred to in *Candide* and are cited by scholars as reasons for its composition.

If this is the best of possible worlds, what then are the others? Even in those cities which seem to enjoy the blessings of peace, and where the arts flourish, the inhabitants are devoured by envy, cares and anxieties, which are greater plagues than any experienced in a town when it is under siege.
