Sir William Henry Bragg OM KBE PRS (2 July 1862 – 12 March 1942) was a British physicist, chemist, mathematician, and active sportsman who uniquely shared a Nobel Prize with his son Lawrence Bragg – the 1915 Nobel Prize in Physics: "for their services in the analysis of crystal structure by means of X-rays". The mineral Braggite is named after him and his son.

A lithium-ion battery or Li-ion battery (abbreviated as LIB) is a type of rechargeable battery in which lithium ions move from the negative electrode to the positive electrode during discharge and back when charging. Li-ion batteries use an intercalated lithium compound as one electrode material, compared to the metallic lithium used in a non-rechargeable lithium battery.

Lithium-ion battery - Wikipedia

Clinical and public health diagnostics. When patients with respiratory tract infections present at any point of care, diagnostic tests should be available to simultaneously differentiate bacterial (including tuberculosis), viral, and other microbial causes to achieve the best possible treatment outcomes.

von Willebrand factor antigen level. The medical literature does not support the utility of the above tests for screening, diagnosis, or management of CHD.

Cardiovascular Disease Risk Tests - Medical Clinical

The cardiovascular signs and symptoms of thyroid disease are some of the most profound and clinically relevant findings that accompany both hyperthyroidism and hypothyroidism. On the basis of the understanding of the cellular mechanisms of thyroid hormone action on the heart and cardiovascular system, it is possible to explain the changes in cardiac output, cardiac contractility, blood ...

Controlling Tuberculosis in the United States

Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...

After the Warren Commission issued its completely contrary official verdict, he began working on a manuscript, and although he faced enormous obstacles in finding an American publisher, once *Rush to Judgment* appeared, it spent a remarkable two years on the national bestseller lists, easily reaching the #1 spot. Such tremendous economic success naturally persuaded a host of other authors to ...

American Pravda: The JFK Assassination, Part I - What

By the most recent estimates, 18.8 million people in the U.S. have been diagnosed with diabetes and an additional 7 million are believed to be living with undiagnosed diabetes. At the same time, 79 million people are estimated to have blood glucose levels in the range of prediabetes or categories of increased risk for diabetes. Thus, more than 100 million Americans are at risk for developing ...
