Most web browsers, like both Chrome and Firefox, can open PDFs themselves. You may or may not need an add-on or extension to do it, but it's pretty handy to have one open automatically when you click a PDF link online. I highly recommend SumatraPDF or MuPDF if you're after something a bit more. Both are free.

What have you done? Children often hear this question from their parents. They quickly learn that this question means three things: (1) they did something wrong, (2) they were caught, and (3) there are consequences to follow. Our heavenly Father asked this question twice in the early chapters of the Bible with the same kind of meaning.
