Is your "six seconds of fame" enough to land you a job? As a professor and a corporate recruiting strategist, I can tell you that very few applicants truly understand the corporate recruiting process. Most people looking for a job approach it with little factual knowledge. That is a huge mistake. A superior approach is [!]

This is another post from the Suggest a Topic page, and while the original comment had a lot of questions about the overall functioning of an economy, I thought I'd take one question from it, and try and answer that in a post.. Why can't a country print money and become rich? A lot of people have this misconception that a country's currency is backed by the gold it holds.

Evolution no more disproves the existence of a Creator/designer of this universe than the discovery of gravity did for Newton and Einstein. If your talking about a deistic God then one as the insurmountable problem of the finitude of the past as well as the origin and existence of the laws of science themselves, which are the foundation of evolution.
