Widening the Circle: General Weikersthal and the War of

Widening the Circle is an ambitious, impassioned argument for inclusive schools powered by a vision that goes far beyond the mutilated version of 'mainstreaming' common in American schools today.

Widening the Circle - Google Books

Widening the Circle is about developing family leadership, cultural safety, and community partnerships to safeguard children, young people, and other family members. This volume describes family group conferencing and critically analyzes its contributions to widening the circle. The practices presented are based on the authors' extensive experience with family group conferencing in the ...
