Women, Business and the Law (WBL) is a World Bank Group project that collects data on gender inequality in the law. The dataset diagnoses legal barriers limiting women's full economic participation and encourages policymakers to reform discriminatory laws.

Women, Business and the Law - Gender Equality, Women

Gender empowerment conventionally refers to the empowerment of women, which is a significant topic of discussion in regards to development and economics nowadays. It also points to approaches regarding other marginalized genders in a particular political or social context. This approach to empowerment is partly informed by feminism and employed legal empowerment by building on international ...

Enhancing Women's Economic Empowerment through Entrepreneurship and Business Leadership in OECD Countries

Enhancing Women's Economic Empowerment through

Long-term, sustainable development will only be possible when women and men enjoy equal opportunity to rise to their potential. But today, women and girls continue to face disadvantages in every sector in which we work, while in some cases, boys are falling behind. For decades, USAID has been leading global efforts to achieve gender equality.
