LOL, or lol, is an initialism for laugh(ing) out loud and a popular element of Internet slang. It was first used almost exclusively on Usenet, but has since become widespread in other forms of computer-mediated communication and even face-to-face communication. It is one of many initialisms for expressing bodily reactions, in particular laughter, as text, including initialisms for more emphatic ...

SMS language, textspeak or texting language is the abbreviated language and slang commonly used with mobile phone text messaging, or other Internet-based communication such as email and instant messaging.. Three features of early mobile phone messaging encouraged users to use abbreviations: Text entry was difficult, requiring multiple key presses on a small keypad to generate each letter;

Editor's Note. Hi, I'm Marc, the worker bee buzzing around behind the scenes at Frugality.com. While I may do much of the heavy lifting around here and I'm pretty frugal myself, my especially independent and frugal German mother Beate (see images below) is the source of most of my money-saving inspirations and ideas you'll find throughout this website.
